

MOUNT  
EDGECOMBE  
RETIREMENT VILLAGE

## Welcome to Mount Edgecombe Retirement Village

---

Perfectly nestled within the gentle contours and endless landscapes of the well-established Kindlewood Estate, Mount Edgecombe Retirement Village characterises the best in senior living. Crafted for the over 50's, and offering the ultimate in spaciouly comfortable living, this retirement offering will provide residents with premium lifestyle facilities, top of the range healthcare services provided by Totalcare, the best of compassionate assisted living options, and optimum security.

# Retirement excellence

---

Bordering Mount Edgecombe Country Club Estate, Mount Edgecombe Retirement Village will provide its residents with the ultimate in world-class healthcare and stylish comfort. Comprising of approximately 260 units, of which 110 will be launched in the first phase, Mount Edgecombe Retirement Village will boast 1, 2 and 3 bedroom sectional title units, as well as a limited number of freestanding homes, all of which will epitomise spacious living and comfort. In addition, residents will enjoy unlimited use of the facilities within Kindlewood Estate.

Embrace an independent culture within a close-knit community, whilst being in close proximity to the greater Umhlanga area and the best in private hospitals. Mount Edgecombe Retirement Villages offers the luxury of making this your home from the time you are fit and healthy right through to a time that you may need more specialised care – this is retirement living at its best, carefully and compassionately crafted to suit your needs.

## Totalcare

---

World-class healthcare within a safe and carefree environment will give Mount Edgecombe Retirement Village residents and their families peace of mind that they are always looked after in the best possible way by the friendly and caring staff from Totalcare. Offering unique multi-disciplinary healthcare with a choice of excellent services; Totalcare provides basic to permanent healthcare tailored to suit individual needs, in addition to flexible roaming nursing care that allows both minor and more intensive medical check-ups to be done in the comfort of your own home, as well as specialised Alzheimer and Dementia care.

The principal ethos for Totalcare is to ensure professionalism, compassion and individual attention in an environment where independence and dignity is paramount. From coffee shops, to kitchen and laundry services, to a hair salon and physiotherapist –the Totalcare facilities will ensure that those entering their golden years can live happily and heartily.
