Happy longevity through bespoke care options

---

**Care Community** Cannot be described, can only be felt

Totalcare offers the comfort and sophistication of a hotel, with the care and attention of private, specialized nursing. We implement a preventative strategy where the resident remains healthy through care, nutrition and social interaction. We believe in care synergy to ensure happy longevity.

Totalcare provides different care packages to best facilitate the needs of the resident. We provide assistance with daily living such as meals and medication administration as well as specialised health care depending on the needs of the physically or mentally frail resident.
